

How To RECYCLE

Your Christmas Tree in Rancho Palos Verdes

Curbside Collection

Residents can recycle Christmas trees by placing them at the curb through January 15th on their collection day. Starting January 15th, 2024, trees will need to be cut into 4-foot lengths and placed inside the green organics carts. After this period, trees can also be called in as a bulky item.

Holiday Service Schedule

EDCO will be observing the Christmas holiday on Monday, December 25th and the New Year holiday on Monday, January 1st. **Residential collection WILL BE DELAYED BY ONE DAY ALL WEEK.**

FREE Extra Holiday Trash Collection: After the holidays, December 26, 2023 through January 15, 2024, EDCO will be collecting extra trash generated by residents during the holiday season.

In addition to your regular gray trash cart, please place extra trash you may have in your additional standard-size waste cans (during this special timeframe only) or in trash bags (during this special timeframe only). Extra trash should then be set out next to your gray trash cart(s) on your regular collection day between the special designated holiday collection dates.
